

REX LONDON APPOINTS PORTRAIT COMMUNICATIONS

From the retro and nostalgic to the 'hot right now', Rex London is a treasure trove of gifts and homewares. From kitsch to kitchenalia, Rex London's playful patterns, cute characters and pretty prints are splashed across colourful gifts for every age and taste, at prices to suit every pocket.

Making present purchasing a pleasure, Rex London has all the gift essentials you'll love to give. Imaginative, eclectic and inspired, product categories are endless, from eco-friendly tableware and travel accessories to kids stationery, classic toys and party bag fillers.

Starting life on a Portobello market stall, today Rex London is a Queen's Award for Enterprise winner and a front runner in British design-led giftware. Spotted in the world's finest galleries, museums, independent boutiques and department stores, the full collection is available to purchase online at rexlondon.com.

Salt and pepper set £6.95; tins £3.95 each

Hunting for lifestyle or cut out photography?

Check out Portrait Communications' online media library, The Portrait Gallery. You can search by product name, type, colour or trend. Rex London is on Press Loft too!

Compiling a gift guide?
